

FRONTSUMMIT™

THE FDRP E-LEARNING CENTER

The FrontSUMMIT™ e-learning center brings an efficient new approach to help you and your organization achieve greater success.

Used by academic institutes, wait staff, hiring managers and executives in the restaurant and foodservice industry, these e-learning offerings extend to FDRP certification programs plus non-certified professional development training and even courses tailored to your specific needs.

FrontSUMMIT™, the Federation of Dining Room Professionals (FDRP)™ Educational Division that manages the online training and testing of hospitality-oriented individuals, provides both managers and staff easy access to the tools they need to do their jobs more effectively.

WHY E-LEARN WITH FRONTSUMMIT™?

Cost Effective

- Shrink travel and related training costs
- Lessen disruption to work schedules
- Increased buying power with the Toolbox™ option that groups both Instructor and Student material

Standardize Messaging

- Ensure that lessons are taught in a clear and consistent manner
- Keep terminology and standards uniform, even across unit types
- Eliminate possibility of skipping key information

Management Tracking

- Track the individual levels of learning
- Send automated email notifications
- Objective and inexpensive way to test skill proficiency of existing staff or job applicants

Interactive

- Enhance comprehension and speeds knowledge transfer
- Voiceovers augment the learning experience
- Interspersed questions aid retention
